

# KeepCALM Road Map

The road map illustrates the curriculum path for Years 1 to 6. The road is divided into colored segments representing different math topics. Red triangles are placed along the road to indicate key milestones or topics. The segments are labeled with topics such as Addition and Subtraction, Multiplication and Division, Fractions, Decimals, Geometry Properties of Shapes, Measurement: Length, Mass and Capacity, and Place Value. The road ends at Year 6, marked with a large 'Y6' in a circle.

Topics covered along the road include:

- Con Do Maths
- Ratio and Proportion
- Remember It
- Fractions
- Remember It
- Addition and Subtraction
- Geometry Properties of Shapes
- Geometry Properties of Shapes
- Fractions
- Remember It
- Geometry Position and Direction
- Multiplication and Division
- Decimals
- Place Value
- Y6
- Fractions, Decimals and Percentages
- Remember It
- Measurement: Length, Mass and Capacity
- Remember It
- Fractions
- Remember It
- Measurement: Area and Volume
- Geometry Properties of Shapes
- Measurement: Time
- Statistics
- Remember It
- Y5
- Multiplication and Division
- Remember It
- Multiplication and Division
- Multiplication and Division
- Addition and Subtraction
- Remember It
- Geometry Properties of Shapes
- Decimals
- Place Value
- Y4
- Addition and Subtraction
- Addition and Subtraction
- Multiplication and Division
- Remember It
- Geometry Properties of Shapes
- Place Value
- Y3
- Multiplication and Division
- Remember It
- Addition and Subtraction
- Addition and Subtraction
- Multiplication and Division
- Remember It
- Geometry Properties of Shapes
- Place Value
- Y2
- Multiplication and Division
- Remember It
- Measurement: Length
- Measurement: Time
- Measurement: Money
- Remember It
- Statistics
- Measurement: Capacity and Temperature
- Remember It
- Place Value
- Addition and Subtraction
- Multiplication and Division
- Remember It
- Y1
- Addition and Subtraction
- Remember It
- Geometry Properties of Shapes
- Addition and Subtraction
- Place Value
- Remember It
- Addition and Subtraction
- Measurement: Time
- Remember It
- Multiplication and Division
- Measurement: Money
- Measurement: Mass and Capacity
- Remember It
